

## CAN THE LORD PLAY ALL 88 KEYS ON THE PIANO OF YOUR SOUL?

Can the Lord play all 88 keys on the piano of your soul? Or are there some areas of resistance, fear, anger, pain, or lack in your mind/memories, will, and emotions that need healing or a special touch from the Lord? Do you have any thoughts or feelings that are not in alignment with what the Lord says about Himself, yourself, or other people and situations in your life?

When we have areas of fear, anger, resistance, pain, or lack in our lives, we are not able to make or perform our best creative activities. For example, if we have unresolved issues with or anger toward another person that we know the Lord wants us to collaborate with, we may refuse to work with that individual – and the creative masterpiece that the Lord had intended may never be developed to its highest potential. If we are afraid of what other people think, we may hesitate to publish our poetry in print or on the Internet, perform in a play on stage, or sing a song to a cherished family member or friend – and the symphonies of sound, movement, color, and creativity in the world around us are less impactful because of our absence. When we listen to the lies of the enemy instead of the encouraging voice of our Lord, we deprive other people and ourselves of reading, seeing, feeling, and hearing the messages of inspiration and edification that the Lord wants to deliver through us.

Invite the Lord into every area of your mind/memories, will, and emotions, and ask Him to provide any healing, deliverance, resolution, faith, confidence, or other gift that you might need! The world needs to hear your voice, see your movement, read your writing, and enjoy your inventions!
